## FROM THE DESK OF DIRECTOR

Education is not just a process of giving knowledge for a future job but a lifelong process which creates an understanding of moral and ethical values to guide one's life in a right path. As a parent, you want the best for your child and we are proud to be working with you to ensure that they are given the right knowledge to face the future challenges. Parents, students and the school authorities are a team and we have to complement each other's efforts.

The unmatched and impressive heights of glory at which our school stands today bears testimony to the fact the school is fiercely committed to pursue excellence in all the fields, be it in academia, sports, ethics or aesthetics. In this contemporary world where cut throat competition has become a part and parcel of life, it is of supreme importance that we teach our children to be competent enough to stand tall amongst others with their extraordinary skills and come out victorious from the realms of this challenging labyrinth.

At Fogaat Public Sr. Sec. School, we focus on complete development of our students by involving them in both scholastic & co-scholastic activities as suggested by CBSE. I, personally believe that an education system that develops the imagination of the child is richer than the one that does not. The imagination is where new ideas are created and progress becomes possible.

"Imagination is more important than knowledge" because knowledge is about what we already know, whereas imagination is what moves individuals and cultures forward. Imagination leads to innovation. FPSSS will surely give much importance to imaginative and play way methods, especially in Kindergarten.

**"If a plant is carefully nurtured by a gardener, it will become good, and produce better fruits." Therefore, children must be given a good training from their earliest childhood. We are here for the same. I am sure that our students of today, tomorrow will carry forward the Motto of love and unity entrusted in their hands at Fogaat Public Sr. Sec. School.**

**The words of Swami Vivekananda "Arise! Awake! And stop not till the road is reached" act as our motto and watchword that will always inspire our children throughout their lives.**
